To Whom It May Concern

ADCO Contracting & Civil Engineering Limited were the main contractor for the Belfius Bank SA/NV, Dublin Branch office fit out at 6 George's Dock, IFSC, Dublin 1.

ADCO completed all works within a tight schedule, within budget and to a high standard of workmanship. They were also very pro-active in finding solutions for problems that arose during the course of the works which greatly contributed to the timely completion of the project.

We would have no hesitation in recommending ADCO to any other client.

Kind Regards
