To Whom It May Concern

Re: Michael Foran

I wish to confirm that Scott Tallon Walker worked with Michal Foran and his team on the construction of a 4000 sq/m warehouse and ancillary office space designed to a high architectural and technical standard at Bond Road. I believe Michael Foran demonstrated a commitment to meeting and exceeding the brief throughout the project, in terms of attention to detail, quality of construction, commitment to budget and programme. We were very pleased with the end result and with the performance and professionalism carried out throughout the programme of the project.

I am aware that Michael has set up a new company and will have no hesitation in recommending his new company for future projects. Should you require any further information, please feel free to contact me on the above number.

Yours faithfully

MICHAEL TALLON
